

OSE Encounter Activities - Wyvern (d100)

1	Ascending laboriously on somewhat tattered wings	51	Leaping onto the back of a Titanother, stinging repeatedly
2	Attacking a herd of Mountain Goats, clinging to the cliffside	52	Lumbering through undergrowth after a Giant Snake
3	Basking languorously in a light rain, craning their neck	53	Lunging at an illusory Deer, that pops like a bubble
4	Bowing deeply to a Female a complex courtship ritual	54	Marauding through a local Hamlet, feasting on Villagers
5	Braving a volley of Elf Arrows to snatch a fleeing Horse	55	Noisily devouring what may have once been a Moose
6	Brooding atop a mound of unfortunately Petrified Eggs	56	Nudging their clutch gently, turning them for even heat
7	Catching a sudden warm updraft and taking flight	57	Ostentatiously hissing as they awkwardly strut on stubby legs
8	Chewing on a Crossbow Quarrel wedged in her flank	58	Overpowering a Pteranodon, easily
9	Circling over a sputtering Campfire, looking for easy pickings	59	Peering around a craggy corner at a Merchant Caravan
10	Clawing deep into thick turf to land, gouging the ground	60	Perching atop a crenelated Castle ruin
11	Clumsily clambering down a slope after a bleating Sheep	61	Picking off Pilgrims in a procession to a Shrine atop a Peak
12	Consuming hair, skin, and bones from a desiccated Deer	62	Piercing a convulsing Owl Bear again for good measure
13	Covered in painful thorn growths after angering a Druid	63	Pinning a Noble down with her massive clawed foot
14	Crashing through a high canopy, as their prey takes cover	64	Playfully chasing its own venom-dripping, tail
15	Cresting an enormous Butte to survey their surroundings	65	Pouncing on a Trader, a brave Mule charges into action
16	Crouching slightly to make their way into an old Bear Den	66	Protecting their dying Mate, nearly torn in twain by a Roc
17	Derisively snorting in chains at Hobgoblin table scraps	67	Pursuing a flock of Palomino Pegasi
18	Descending after spotting a herd of Cattle	68	Quelling a squabble between juveniles, almost ready to fledge
19	Diving suddenly, craws ready to grasp a tasty Centaur	69	Rampaging at a Toll Bridge, near Gnomes hiding under a Cart
20	Dogfighting males Duel with their Stings	70	Rearing back to let out a blood-curdling shriek
21	Dripping venom from its swaying Stinger as it screams	71	Recoiling from a blast of Lightning from a Wizard's Finger
22	Dropping boulders on a loudly cursing Dwarf Mining Camp	72	Regurgitating Bugbear bits to feed its chicks
23	Dwelling comfortably atop an abandoned Keep	73	Rending thick tree bark to hone his Claws
24	Eating a humongous Jack Rabbit, easily the size of a Dog	74	Retreating from a mated pair of Manticores
25	Emerging from thick stand of Pines, unfurling leathery wings	75	Returning to her birth Nest to challenge her Mother for it
26	Emitting the foul, semi-sweet stench of rotten Roses	76	Roaring to intimidate a Knight in shiny Plate
27	Feeding chirping nestlings strips of Hobgoblin	77	Rolling over a boulder, relishing the crashing sounds as it falls
28	Flapping furiously against a sudden Gale	78	Sailing lazily on thermals, flapping only every few minutes
29	Flashing pale white Mouths as a territorial challenge	79	Screeching after discovering an Egg eating Giant Snake
30	Fleeing from an impressive shadow overhead: Red Dragon	80	Scuttling gawkily on the ground with a wounded left wing
31	Flexing their limbs and stretching, not unlike a Feline	81	Seizing a dangling Scout as they rappel down a cliff
32	Flying low, scaled belly brushing against scraggly bushes	82	Slaying a Medium with a swift stab of their Stinger
33	Following a herd of Elk, scanning for the old or infirm	83	Snapping at their Troglodyte Trainer
34	Furiously flinging the Ghoul in their jaws at its packmates	84	Snarling after scenting Chimera on the wind
35	Gnawing on an Ogre's skull to help shed and sharpen Teeth	85	Sniffing at Giant tracks, hoping to poach their livestock
36	Gorging on a joint of Mutton tossed by an Orc Chieftain Rider	86	Soaring among the clouds, so as not to spook Antelope below
37	Grabbing a Goblin in his Jaws, as others move in with Spears	87	Splashing in a shallow lake, wrestling a wriggling Giant Fish
38	Grunting as a Horn Helmed Ranger scratches her chin	88	Spreading wet wings to dry them in the Sun
39	Guarding a crumbling Sorcerer's tower and Charmed	89	Stinging a Hippogriff Mare mid-air, she begins to plummet
40	Gulping down Stew from a Halfling Camp's Cauldron, all fled	90	Stretching their scaly skin to shake off the remains of a molt
41	Heading towards a massive flock of Geese to dine on the wing	91	Struggling with the Barding of a Warhorse slain on a battlefield
42	Helping Hatchlings escape their shells with careful nibbles	92	Stubbornly clinging to the bottom of a bridge over a ravine
43	Howling after flying into a carefully strung Net Trap	93	Swallowing huge gulps of brackish Pond water
44	Hunting White Apes near a washed-out Wadi	94	Swooping as a Farmer herds Sheep into a Barn
45	Impaling a snarling Wolf with her Sting	95	Threatening a Hill Giant with rattling scales as a warning
46	Ineffectively scourging a Gargoyle with his Tail	96	Tracking a bleeding Rhino, landing to smell a pool of blood
47	Jabbing stone Spears, Lizard Men are losing the fight	97	Utterly savaging a smaller Rival near a bubbling mud geyser
48	Kidnapping a Kobold King from an escort	98	Viciously biting a Brigand's Sword-arm clean off
49	Lashing their venomous tail to-and-fro	99	Violently coughing up bits of indigestible Metal Armor
50	Launching themselves with abandon from a craggy precipice	100	Whisking away a Warrior as a gift for his Witch Mistress
