

# OSE Encounter Activities – Owl Bear (d100)

1	Absolutely overwhelming an Orc War Band, all feathers & fury	51	Nodding and moving their rotating head in quick circles
2	Accidentally uprooting a tree by leaning against it to scratch	52	Obeying the orders of a lanky Druid
3	Ambling confidently through noisy, skittering leaf-fall	53	Occupying former Ogre Den, old owner growing colder in the corner
4	Appearing only as a set of glowing, frontward facing eyes	54	Opening tough-skinned Melons, feasting on sticky, juicy flesh
5	Balefully puffing up their feathered mane to appear larger	55	Pawing at a large, rotting log to set it rolling down a hill
6	Banishing cubs who are large enough to fend for themselves	56	Peering out of their deep and dirty burrow, groggy but wary
7	Barreling through the brush after a Bandit	57	Piercing a crying Cleric's breastplate with their barbed beak
8	Battling another over territory, with snarls and beak-snaps	58	Plucking Dagger-sized silvertip feathers, growing too long
9	Charging ferociously into a formation of Hobgoblins	59	Practicing their pounce on a massive spotted Mushroom
10	Chasing a Cougar up a Tree, growling and rending the bark	60	Preening and puffing the flammulated plumes lining their face
11	Clawing open a Chest containing Rations with wicked talons	61	Preying on a Halfling Rancher's Goat herd, lost three this week
12	Croaking loudly from a perch atop a precipice	62	Protecting juveniles from a hungry Hippogriff
13	Crouching on hind haunches, about to pounce on a Pegasus	63	Prowling in dappled darkness, surprisingly silent
14	Digging deep gouges, unearthing a Giant Rat burrow	64	Rampaging and riled: 3 Crossbow bolts buried in their shoulder
15	Disturbing a Dervish Prayer ceremony by hooting ominously	65	Regurgitating a pellet, in the fur and bone shines a gauntlet
16	Dragging a dead Deer in its razor-sharp beak	66	Returning to a favorite ambush location, and hunkering down
17	Dropping a Dwarf who wisely decided to play Opossum	67	Roaming the edge of their territory, sniffing a boulder ruefully
18	Dwelling in an abandoned Mineshaft where seams still sparkle	68	Rolling around on an Ant nest, acid from angry Ants kills parasites
19	Echoing distant screams and shrieks, hissing occasionally	69	Ruffling their tufted shoulders to appear much larger than they are
20	Emerging from a tangled burrow at the base of giant Tree roots	70	Running on thunderous paws after a squealing Boar
21	Enthralled by a very frightened, flute playing Bard	71	Savaging several Skeletons with a single swipe
22	Fattening up for hibernation on an unfortunate Dairy Cow	72	Settling down to finish their Bugbear Breakfast
23	Feeding slender strips of flesh to chirping her Cubs	73	Shambling and bruised from a recent bout with a Troll
24	Filling the air with resounding calls: mating season approaches	74	Shivering their shoulders for feathers to fall back into place
25	Following a scent, beak to the ground and snuffling	75	Shredding a sturdy oaken Door with massive, sword-like talons
26	Gazing tigerishly at a group of Thouls cooking their dinner	76	Shrieking as they lunge at a one of the circling Wolves
27	Gingerly turning large speckled Eggs over in a downy nest	77	Snapping their beak with hollow clacks as they sharpen claws
28	Gnawing on a Magic Saddle, no horse or rider in sight	78	Snarling as a Giant Rattler tries to slither away
29	Grabbing a flailing Gnome in their beak to carry back to their den	79	Sniffing wide gouges in the rock for signs of rival Males
30	Growling through a clenched beak as they scratch irritating fleas	80	Squeezing a Veteran to near unconsciousness in their powerful arms
31	Hooting malevolently and turning the blood of listeners cold	81	Standing on her massive haunches: trying to reach a treed Acolyte
32	Howling in a blood-curdling fashion, their hind leg snared in a Trap	82	Staring down a path with yellow, unblinking, dinner-plate sized eyes
33	Hunting with a handicap: a large jagged chunk is missing from beak	83	Startling a Summoner, expecting an Owl Familiar
34	Interrupting the rest of an otherwise distracted Adventuring Party	84	Surprising a party of Dwarf Prospectors, panning a stream
35	Itching between the shoulders, moaning as they scratch on Trees	85	Swiping aside the spears of a band of Brigands in formation
36	Jerking their head backwards as they attempt to swallow a Lamb	86	Threatening to delay the opening of a Goblin Market
37	Jumping onto the back of an oblivious Elk, raking with claws	87	Trailing the wounded Warp Beast that slew her only cub
38	Keeping a clutch of Eggs warm with her own harvested down	88	Unhorsing a charging Knight with a well-timed talon
39	Launching herself at Lizard Men hunters	89	Unleashing a piercing Roar as they clobber a Kobold
40	Listening intently to the sounds of Brigands setting up camp	90	Vigilantly drinking from a sparkling pool of water
41	Looming forebodingly behind his Ranger Companion	91	Violently shaking a Giant Gecko, clamped in their beak
42	Loudly landing after falling off a perch that couldn't support weight	92	Visiting the kindly old Witch who once removed a thorn from his paw
43	Lugging an Ewe with brilliant Gold wool along the muddy ground	93	Vociferously screeching, causing flocks of Birds/Bats to take flight
44	Lumbering woozily from Captors, rattling chain dragging behind	94	Wallowing, knee-deep in mud, looking for tasty mollusks
45	Lunging at a sneering Manticore, face pincushioned by Quills	95	Watching two males clash with intense interest
46	Marauding after the death of their mate	96	Whistling to tell cubs to hide or climb, after sensing a predator
47	Mauling a Medium, collecting Pellets for dissection	97	Wounding both a Warrior and a Wizard with separate swipes
48	Mocking a Trapper by disabling a Deadfall	98	Wrestling playfully with adopted father: A Werebear in Human form
49	Moping and mud-covered after falling into a river	99	Yawning and stretching after leaving their bone strewn den
50	Nest-building, one larger piece is actually a gnarled Magical Staff	100	Zealously worshipped for their ferocity by a nearby clan of Berserkers
