

OSE Encounter Activities - Basilisk (d100)

1	Adeptly camouflaged by clumps of verdant moss	51	Hollowing out the side of a hornblende Hill Giant
2	Admiring their larder, stacked high with diorite Dwarfs	52	Hooded like a Cobra, drooling sizzling spittle
3	Assembling a noisy nest of perfectly sculpted fragile flint fronds	53	Idly swatting away tiny, dice-sized Gelatinous Cubes
4	Atypically frugivorous, admiring their pile of petrified fruits	54	Investigating droppings of a rival in their territory
5	Battle-scared from a recent run-in with Skeletons	55	Just roused from hibernation and positively famished
6	Beginning to brumate, and yawning constantly	56	Lapping up a broken Philter of Love, yikes
7	Being "fang-milked" for potion reagents by a blindfolded Alchemist	57	Last of their sub-species: Speckled with several ruby scales
8	Belching contentedly over a column covered in teeth marks	58	Licking cinnabar inclusions in a piece of granite Goat
9	Bellowing loudly, tail caught in a trap	59	Locked in deadly combat with a Griffon immune
10	Bemused by a skittish Giant Mole	60	Morosely sniffing a petrified potential mate
11	Bickering with itself: a very rare and deadly two-headed variant	61	Nibbling on a pumice Pixie, grimacing at the funny taste
12	Bit of more than they could chew: Those are Caryatid Columns	62	Noshing on a gneiss Gnome champion
13	Bleeding from several javelins still stuck in their scaly hide	63	Nuzzling a large gem, set in a scepter
14	Breakfasting on a kimberlite Kobold	64	On hind legs, struggling to reach a travertine Pterodactyl
15	Carefully coaxing a bloated toad onto a hen's nest	65	Overindulging on a cache of fossilized ammonites
16	Charmed permanently by a mishap, seeking a Wizard-friend	66	Pinned under a petrified Pachyderm
17	Chased by a mob of Mongooses, naturally immune	67	Plagued by itchy tufts of colorful, scale-hungry lichen
18	Chomping on a calcified Cave Locust	68	Playing 'possum to surprise prey
19	Coiled atop a half-eaten stone Wyvern	69	Proudly frilled like a Styraeosaurus, but molting slightly
20	Conversing slowly in halting Medusa with a Lizard Man shaman	70	Rattling loudly, this variant has an interesting tail
21	Craving silence: Glancing at birds who fall and shatter	71	Relaxing in a hot-spring fed fountain
22	Crunching on sheets of slate like peanut brittle	72	Rubbing barnacle like parasites from their hide
23	Crushing limestone pebbles with flat back-teeth	73	Sapped in Strength from a run in with sadistic Shadows
24	Daydreaming of eons past, when the world was ruled by the scaly	74	Sharpening their massive horn on a natural whetstone
25	Dining on quartz Quasit	75	Shuffling about, blind in one eye due to Green Slime
26	Distended belly from devouring a herd of asbestos Sheep	76	Sitting patiently for a sketch by a brave (or stupid) Sage
27	Distending jaws to swallow a bulbous Giant Beetle whole	77	Slithering throughout a warband of petrified Orc Warriors
28	Dragging around a chert Ram with a scraping sound	78	Slurping up a muddy slurry of wet sandstone Slugs
29	Especially swift from a recent bask, hunting	79	Smashing a mirror into silver slivers with satisfaction
30	Eyes firmly shut and circling each other, males square off	80	Snacking on crumbly chalk Chipmunks
31	Face covered with intumescent Stirges, scratching at them	81	Somehow crowned with a fragile diadem of Plant Control
32	Famished, escaped Medusa pet, muzzled to prevent ruining art	82	Struggling with the spines of a porphyry Porcupine
33	Feasting on a creamy white marble sculpture of a Satyr	83	Supping on an obsidian Svirfneblin
34	Feigning slumber unconvincingly with too-rhythmic snores	84	Swallowing an olivine Elf, head-first
35	Fiercely protecting a clutch of sparkling geode-like eggs	85	Tainting a water source with venomous secretions
36	Fireball blasted and especially ornery	86	Tangled in noisy iron fetters
37	Fitted with special saddle and tack for Lizard Men riders	87	Tenderly carrying squirming hatchlings in mouth
38	Flummoxed by a Terra-cotta Living Statue of a soldier	88	Testing the air with an ultramarine forked tongue
39	Fortunately, has somewhat cloudy eyes due to upcoming ecdysis	89	The stone Lion ate a hungry Poet, but is now being eaten
40	Gifted with sibilant speech by a grateful Henge Druid	90	Trained to find choice Marble, leash-led by Dwarf masons
41	Gnawing at the rippled base of a stalactite like ice cream	91	Unsuccessfully attempting to sneak up on a Bear
42	Goaded by enterprising Ghouls who sale very lifelike sarcophagi	92	Waiting patiently for a Gargoyle to groom him
43	Grunting as they receive belly scratches from a gauntleted Goblin	93	Wary of men, escaped from a Sculptor of renown (a fraud)
44	Gumming the wings of an alabaster Aarakocra	94	Well-fed and fattened by local Cultists for a grand sacrifice
45	Harangued by blessedly blind bats	95	Widening a burrow with powerful hind claws
46	Has a hitchhiker: A symbiotic Grey Ooze rides on their back	96	Worshipped by Lizard Men, who leave tail-tips as offerings
47	Hauling a hematite hafted Halberd toward her hoard	97	Wounded by now petrified Jewel Thief nest robbers
48	Helping young teeth on a basalt Horse leg	98	Wrapped around a stone altar covered in nibble marks
49	Hissing loudly at a resilient team of Halfling slingers	99	Wrinkling their snout after a strong whiff of Weasel urine
50	Holding court over all manner of slithering snakes and serpents	100	Yanking the shield off the arm of a miserable Myrmidon
