

# OSE Encounter Activities – Kobold (d100)

1	Adjusting a precariously balanced floor-beam	51	Kobold soccer uses a Gnome head, Gnome soccer: just as bad
2	Aiming automatic arrows by test-firing at a wall	52	Laundry day: boiling clothes in giant vats
3	Allied with new-comer Lizard Men, for now	53	Leading a sneak of leashed Giant Weasels on patrol
4	Applying camouflaging pigments to their skin	54	Led by an elder who survived the Mummification process
5	Baiting a Basilisk trap with exotic minerals	55	Lifting a large boulder into place above a door
6	Barking orders to the less-clever Kobolds	56	Lurking in alcoves, their Seer suspects visitors soon
7	Baying soft songs of love to their partners	57	Mapping a lower level of a Dungeon from memory
8	Breeding Giant Scorpions as mounts and pack animals	58	Milking a drugged Caecilia, a disgusting process
9	Bushwhacking some unsuspecting Orcs	59	Moonlighting as Merchants for Demi-humans of the Deep
10	Capturing Giant Centipedes for children to play with	60	Overseeing construction of a pit-trap
11	Checking snares set last week	61	Peering through a perfectly camouflaged peephole
12	Chirping an "all's well" to nearby guards	62	Planning a surface raid meticulously
13	Choking on Yellow Mould spores	63	Preparing a feast of Mule meat to celebrate success
14	Coiling lengths of rope to set the tension of a trap	64	Reapplying poison to doorknob needles
15	Concealing a ceiling net with stuffed bats	65	Recent attacks from a Shadow have them all nervous
16	Cultivating a form of Shrieker that only they can hear	66	Resetting a spring-loaded oil-flinger
17	Cursed by Sprites and can no longer tell lies	67	Retelling myths about their ancient enmity
18	Daydreaming of a world without Gnomes	68	Retrieving treasure from a spike pit
19	Decorating decoys to make their numbers look larger	69	Roasting a well-seasoned Cave Locust
20	Defending nesting area from an ovivorous Giant Snake	70	Rolling large barrels of lamp oil along
21	Delivering "protection money" to a local Orc Chieftain	71	Saddling up their Giant Bat mounts for a scouting mission
22	Diagramming convoluted family trees	72	Skulking into position to ambush a Bugbear
23	Digging a new warren into a wall	73	Snapping shut the jaws of a steel trap with a spear
24	Disguising an obviously false flagstone	74	Snarling at a chef for serving Rat-on-a-Stick AGAIN
25	Dislodging a jam in a crossbow mechanism	75	Sniveling for mercy at the foot of a Minotaur
26	Domesticating Oil Beetles as a front-line defense	76	Snorting at a joke about the stupidity of Gnomes
27	Donning elaborate head-dresses for a merging of Tribes	77	Spreading rumors about a Gnoll Chief's Gnomish blood
28	Dumping out jars of very angry Scorpions	78	Squeaking with delight as a test fire of a trap goes off
29	Eating crunchy dried Cave Newts	79	Steadily building an immunity to Carcass Crawler venom
30	Encouraging a Gelatinous Cube down a dirty hallway	80	Stealing prized grapevines from a Cyclops
31	Enjoying their bond with a Lesser Djinni	81	Stringing a tripwire, guillotine warning system
32	Feeding a friendly Crab Spider with a dead Robber Fly	82	Stuffing a taxidermized Manticore with straw
33	Fishing out severed fingers from a clever chest trap	83	Surprising a Medium by displaying minor magics
34	Friendly with a Fire Giant: rid her home of Giant Rats	84	Swindling a Troll, trading tons of CP for fewer GP
35	Gambling on a fight between Rats	85	Tending to a Gnome flavored variety of Mushroom
36	Getting the drop on a group of Gnome delegates	86	Territorial turf war with Neanderthals
37	Gingerly placing eggs near a fire to influence the sex	87	Testing the action of a volley of poisoned darts
38	Goading a Rust Monster into a wooden cage	88	Tiring of their weekly tribute to a greedy Red Dragon
39	Growling as they discover a trap was sprung, but empty	89	Torturing a trespassing Thoul
40	Harvesting poison from domesticated Black Widows	90	Training Bats to attack when a bone whistle is blown
41	Hauling bundles of javelins to an armory	91	Tripping an Ogre with coordinated rope-work
42	Hiding their share of treasure from the boss	92	Turning a wall-mounted wheel to open a trapdoor
43	Hoarding foodstuffs to prepare for predicted lean times	93	Tying knots that loosen, every other rung of a rope ladder
44	Howling with laughter as one gets stuck in a snare	94	Under the thumb of a local Hobgoblin King
45	Infected with a rare form of Lycanthrope: Were-Bats	95	Wagging stubby tails as they dig into Gnome gumbo
46	Inspecting a trick-staircase	96	Waylaying a Troglodyte hunting party
47	Interrogating a suspected Gnomish spy	97	Whining to a superior about long shifts
48	Itching uncontrollably during their monthly molt	98	Winding rusty gears for a complex booby trap
49	Knitting ghillie suits, suitable for dungeon terrain	99	Worshipping an itinerant Flame Salamander as a God
50	Know the secrets of making Kobold Sized Living Statues	100	Yapping a warning cry to their Were-Wyvern leader
