

OSE Encounter Activities – Lizard Man (d100)

1	Arguing about how best to butcher a terrified Elf	51	Making Catoblepa cheese
2	Assisting each other in removing pesky ticks/leeches	52	Marinating prey in pits of brackish water
3	Attempting to feed a Farmer to Giant Piranha	53	Mending barbed nets, spiny branches nearby
4	Barehandedly breaking driftwood for a campfire	54	Molting, covered in irritating translucent sheds
5	Being berated by a stronger and larger female	55	Nearly shooting each other as they experiment with a crossbow
6	Bewitched by Nixies, seeking beauty to bring back to them	56	Panicking as one of their number sinks into mud
7	Binding birch bark books at their leader's behest	57	Playing "catch" with an annoyed constrictor snake
8	Blissfully unable to smell the Skunk stench that coats them	58	Plucking a heron, and saving choice feathers for fletching
9	Carefully pouring Grey Ooze into thin stone amphorae	59	Pouring salt on a Giant Leech
10	Carving very artful and terrifying wooden totems	60	Preparing an ambush by overturning a small boat
11	Checking the temperature of chicory tea with their tongues	61	Pungently burning the stringy hair off a severed humanoid leg
12	Cheerfully discussing an upcoming sporting event	62	Raking drying bog-berries into reed baskets
13	Chewing sullenly on bundles of succulent leaves	63	Reciting mighty deeds in turn to one-up each other
14	Chortling at the tail-loss of an unlucky fellow	64	Re-tooling a suit of un-rusted chain for their anatomy
15	Coating spear-tips in a black, viscous, tar-like substance	65	Ritual bog-mummification of a dead matriarch
16	Competitively extending/retracting dewlaps	66	Ritually breaking javelins that missed their mark
17	Constructing a short fence from supple green wood	67	Roasting an arm-length catfish on a spit
18	Consuming shed skin for vital nutrients	68	Rooted in place with vines by an angry Cypress Dryad
19	Cooling a nest to influence hatchling gender	69	Salivating over a stew pot, water dancing with fingers
20	Deferring to a leader with a large horn on his snout	70	Sawing a tree-trunk into more manageable chunks
21	Delivering a message on behalf of a nearby sacred Medusa	71	Scraping clean an antique iron cauldron with sand
22	Demonstrating strength via tail wrestling	72	Scratching a territorial marker for all to see
23	Destroying the nest of a rival tribe	73	Seeking aid and muscle to help stop recent Bugbear raids
24	Digging a hole that's rapidly filling with water	74	Setting strangely shiny spearheads on shafts
25	Discharging cakey salt from lacrimal glands	75	Shoving clumps of moss into a gaping, oozing wound
26	Dividing up egg spoils from nest raiding	76	Shucking fresh-water mollusks, a pile of bivalve shells nearby
27	Donning hooded cloaks for a trip to a nearby town	77	Skewering plump bats for shish kebab
28	Drawing up plans for a massive ziggurat	78	Skimming and saving the sludge off boiling water
29	Drilling bead holes into quahog/cockle shells	79	Slightly sluggish due to cooler temperatures
30	Drying Elf-Beard moss over woodsmoke	80	Snapping at a helpless halfling, hanging from a height
31	Even without speaking Lizard Man: The Fish Story is apparent	81	Sneezing after exposure to a noisome weed
32	Extracting Ink from Water Termites made docile with smoke	82	Squeezing bloated toads into ornate crockery
33	Fleeing from an enraged Giant Shrew	83	Staining their frill scales bright colors
34	Frantically searching for a chirping child	84	Standing stock still to avoid a deadly motion sensing serpent
35	Gambling, the stakes appear to be a human hand	85	Strategically removing scales (as tattoos) for a secret society
36	Gleefully tearing the pages from a mildewed spell book	86	Stringing impressive teeth collections on twine
37	Gnawing on five-toed and furry feet	87	Successfully grafting a Giant Crab claw onto an arm stump
38	Grousing from stomach aches due to recently eaten Troll	88	Surprisingly solemn coming-of-age ceremony
39	Grunting as they pick stringy Dwarf meat out of teeth	89	Taking turns basking near a warm fire
40	Gutting a huge gator and tanning the leather	90	Taunting a Giant Toad with a captured Cave Locust
41	Heaping offerings in front of a sculpture of a Dragon	91	Teaching the young the best way to catch crayfish
42	Hiss-chanting prayers at a carving of the Sun	92	Testing club-wood with loud, snapping, bites
43	Honing claws on special rough stones	93	Tossing scraps to trained Dimetrodons
44	Inspecting last season's rotting logs for cultivated mushrooms	94	Toying with a disarmed Berserker
45	Insisting a newly hollowed blowgun is true and straight	95	Transporting tribute to a stronger tribe
46	Intently watching a shaman cast bones	96	Trussing a Gnome with a Swamp Apple in his mouth
47	Laying out strips of fish to dry	97	Tying several dead racoons/opossums on a line for transport
48	Lazily patting distended bellies	98	Unblinkingly watching ingenious fishing line floats
49	Leaping contest	99	Unsuccessfully trying on a captured helmet
50	Listening raptly to a captured Bard play a flute	100	Weaving sleeping mats from long blades of grass
