

# OSE Encounter Activities – Gorgon (d100)

1	Adopting an intimidating, widened stance toward a tree	51	Nursing two adorable and dangerous Calves, very defensive
2	Ambling down somewhat steep foothills, cautiously	52	Obstreperously blaring for any challengers to hear
3	Bellowing resonantly, trying to attract a mate	53	On a tear, just left a hamlet now inhabited only by art
4	Billowing noxious green mist from their nostrils	54	Outraged by the presence of a Giant Weasel
5	Blundering down a steep riverbank to have a drink	55	Pausing their browse of Bitterberry bushes to bugle blusterously
6	Bucking in response to a stabbing Stirge bite	56	Pawing the fragrant sod, sage colored steam billowing
7	Charging a Cougar, crouched in tall grass	57	Petrifying a Paladin's Warhorse, tied outside a cave
8	Chasing a rival bull to the edge of his territory	58	Plunging his keen horns into a haybale, where a Gnome hides
9	Chewing loudly on a mouthful of pale grey grass	59	Powdering hard clods of clay beneath its hearty hooves
10	Circling a Driver Ant colony, itching for a fight	60	Puffing small goutts of gasses as it grinds grasses
11	Coddling a blaring Calf, to keep it quiet	61	Pulverizing a chalky Talc Troll Statue
12	Completely calcifying a Halfling Commandant	62	Quarrelling with enterprising Gargoyle ranchers
13	Cornering a Bandit on a treacherous cliff	63	Ramming a Merchant's Cart, laden with Cyclops wine-barrels
14	Crashing through thorny brambles, protected by iron scales	64	Rampaging nearby farmsteads, leaving behind livestock statuary
15	Crumbling the outstretched arm of a Cleric Statue	65	Rearing onto its hind legs to try to crush a crafty Warp Beast
16	Crushing a Sandstone Rattlesnake under hoof	66	Roaming near the outskirts of a nervous Hobgoblin Camp
17	Defending a piece of pasture, dotted with Sculpture	67	Roaring with rage as he senses another Bull in the distance
18	Demolishing a Diorite Dwarf	68	Rushing down a steep slope, chased by Barrow Wights
19	Destroying a Wagon, as frightened Traders flee on foot	69	Rutting and therefore wise to avoid
20	Discharging sparks as they roll on Flint shard-strewn ground	70	Sauntering up to a grizzled Farmer (ex-Adventurer) to be fed
21	Entombing a tonsured Friar in Travertine	71	Savaging a stand of Trees to mark the edge of their domain
22	Exhaling chartreuse miasma in a flowering meadow	72	Scowling as Skeletons burnish her scales with stiff bristled brushes
23	Exploited by a talentless Sculptor: his works adorn several Shrines	73	Scratching their scaly hide against a well-worn boulder
24	Flaring their cavernous nostrils menacingly	74	Shattering a Shale Shield Bearer
25	Fording a rushing river, with snorts and splashes	75	Shrugging off a sling stone, barely noticeable
26	Fragmenting an exquisite Sculpture of an Elf firing an arrow	76	Smashing into a Potter's kiln, seeking hot ash to eat
27	Galloping towards an unfortunately dressed Bard: Crimson Cloak	77	Sniffing fallen Apples near a worried Dryad's tree
28	Glaring at a Goblin, treed out of reach	78	Snorting defiantly after encasing a curious Sage in stone
29	Goring a Hill Giant's thigh with his steel-sharp horns	79	Splintering a once sturdy wooden fence by leaning up against it
30	Grazing confidently amidst broken bodies on a battlefield	80	Staggering unpredictably after dining on unusual Mushrooms
31	Grinding down flavorful pebbles with their tenacious molars	81	Stampeding in circles after a pack of cleverly winking Blink Dogs
32	Grunting in acknowledgment of their Medusa Milkmaid	82	Staring at a peaceful procession of Acolytes
33	Headbutting an extremely detailed Centaur statue, tipping it over	83	Stomping on Siltstone Crab Spider
34	Hulking and huge, an extremely hefty specimen	84	Surprisingly acclimated to local Lizard Men
35	Immortalizing an Illusionist in colorfully flecked igneous rock	85	Swatting away persistent Gadflies with her flail-like tail
36	Impaling a Paladin, locked in fierce combat	86	Sweating a frothy liquid, said to remove rust from weapons
37	Infuriated by falling leaves, thrashing their horns about	87	Swerving a charge to stab a stubbornly animate Ogre
38	Inhaling giant gulps of air, preparing to unleash its horrid breath	88	Thrashing to escape an intrepid Trapper's snare
39	Jumping over a Halfling's hedges, leaving behind stone sheep	89	Thundering down a well-worn path after a Dire Wolf
40	Kicking a Granite Game Warden with sharp year hooves	90	Tossing a gored Thoul into the air with a swift jerk of their neck
41	Laboriously respiring, pollen from the Wrackblister Bush is awful	91	Towering over standard Kine, taller than a Warhorse
42	Lapidifying a now-Limestone Lion	92	Trampling down a patch of grass to lie down and rest
43	Lowing deep, discordant moos	93	Treading water to cross a deep Lake
44	Lumbering through a circle of Toadstools, upsetting Sprites	94	Turning an entire band of Berserkers to Blue Granite
45	Lunging at their wavering reflection in a pond	95	Uprooting a windmill, perceived as a challenger
46	Milling mineral deposits with their teeth, gouged from a cliffside	96	Utterly cantankerous after a recent Wyvern wound
47	Munching on the calcified cape of a Cut Purse	97	Vexing an Elfin enclave, their best Hunters succumbing
48	Narrowing their glowing ruby eyes after hearing a distant howl	98	Warning others thanks to the presence of a feverishly placed Cowbell
49	Negotiating a narrow cobblestone bridge, with clumsy clatter	99	Wrecking a group of Basalt Bugbear statues
50	Nosing at a freshly filled Grave	100	Yoked to till rocky fields for Geode planting by stoic Stone Giants
