

OSE Encounter Activities – Wolf, Dire (d100)

1	Alerting their Goblin handlers to an intruder	51	Outsmarting an Ogre, tripping them and stealing their Club
2	Ambushing a Warhorse, left to graze	52	Overwhelming a lone Chamois, ripping it to utter shreds
3	Approaching peak pack size, will splinter off soon	53	Plunging dagger-like fangs into the neck of a Noble
4	Assembling to form a great moot to discuss a coming war	54	Preying on encamped Nomads, one a night
5	Attacking a Gnome village with sadistic glee	55	Pursuing a fiery quarry for sport: A lone Hellhound
6	Baying frightfully, sends shivers up spines for miles	56	Raiding the home of an elderly woman
7	Blooding a Mastodon	57	Ransacking an overturned Butcher's cart
8	Bounding across a shallow stream, splashing and spraying	58	Reconnoitering a new route with Goblin Scout riders
9	Bristling backs as they square off, a challenge to the Alpha	59	Rending their claws on a defenseless Dryad's tree
10	Broadly observing the rituals of a Goblin Shaman	60	Roving unattended, their Goblins killed by Adventurers
11	Chewing on once sturdy tent-poles to file ever-growing fangs	61	Rushing towards a drinking Rock Baboon
12	Clawing at uncomfortable boar-leather collars	62	Salivating uncontrollably at the sight of a spitted Boar
13	Consuming what may have once been some kind of Camel	63	Savaging a Centaur Warrior, out on her own
14	Crippling a giant Stag with a ferocious bite to the back leg	64	Scarfig down all traces of a slain Goblin Warrior
15	Darting from shadowy cover, black fur blending completely	65	Scolding the Goblin King, who bows his head in shame
16	Devouring mold-ridden meat, flung by their Goblin allies	66	Seizing a Giant Tuatara by the neck
17	Disobeying their "Masters," attacking an Orc envoy	67	Shaking the life from a flailing Berserker
18	Dragging the carcass of a Hunter back to their den	68	Skulking and moody, banished from their pack
19	Drooling from a distance at a Giant Crocodile kill	69	Slaughtering a Unicorn triumphantly, but not without cost
20	Eating a disgusting feast: three Zombies	70	Slavering as they gnaw on an Elf skull
21	Eliminating a Bodyguard to the King, excessive with the lash	71	Smelling the air for signs of easy prey
22	Emaciated from a lack of suitably sized game	72	Snarling at each other, asserting the pack's pecking order
23	Encircling a band of Elf warriors, with fangs ablaze	73	Sneaking with surprising stealth for their size, silent paw-falls
24	Evading a determined Ranger, high prices on their pelts	74	Sneering after being barked at by their Goblin Minder
25	Eyeing some penned Swine hungrily	75	Snorting with derision as they lift a leg on a Treant
26	Flushing out a Forester, more for sport than food	76	Sprinting after a fleeing Prisoner destined for their supper
27	Following nervous Elk Herds	77	Spying on Hobgoblin troop movements
28	Frothing and foaming at the mouth, likely rabid	78	Staring from the darkness with glowing green eyes
29	Gnashing their teeth under a barbed Goblin whip	79	Startling a scourge of Stirges
30	Grabbing a Fighter's Spear with their teeth, disarming her	80	Starving after days in a deep pit trap
31	Grimacing as they chew on a gamey Ghoul flesh	81	Straining against crude harnesses of a Goblin Merchant's cart
32	Guarding the entrance to an underground Goblin redoubt	82	Strangling an Elk, by clamping down on their carotid
33	Harrying a herd of Antelope	83	Strolling confidently through an abandoned camp
34	Howling in a blood-curdling cacophony	84	Swallowing huge chunks of a butchered Giant Catfish
35	Infested with bloated Ticks the size of Copper Coins	85	Tearing towards a town, easy pickings on their mind
36	Inhabiting an abandoned Crypt, to shelter from the elements	86	Thieving a meal from a sleeping Hill Giant's campfire
37	Intimidating their Goblin Minders, just for grins	87	Threatening a Goblin Bodyguard with barred fangs
38	Invading Kobold held territory, cautious of snares and traps	88	Toying with a Giant Toad
39	Joining forces with a local tribe of Werewolves	89	Trailing behind their Goblin Trainers
40	Killing a ranchers Cows for pleasure, not food	90	Treeing a frightened Friar
41	Leaping into a battle between Bandits and Goblins	91	Trotting in time to Goblin Drums
42	Leering at a jumpy Trader, selling arms to their Masters	92	Underestimating an Elephant's fury
43	Lunging fiercely, but held back by crude iron chains	93	Unleashing their fury and frustration on each other
44	Lurking with the Ravens on a now still battlefield	94	Venturing into a Barrow to receive orders from a profane Altar
45	Marauding with their mounted Goblin Riders	95	Wandering dangerously close to a Cockatrice's nest
46	Menacing a Medium and his Charmed Lizard Man Guard	96	Waylaying a band of Brigands bivouacking
47	Narrowing their eyes at proffered table scraps	97	Weaning a litter of clumsy, but ferocious Pups
48	Ogling the same captivating She Wolf	98	Wounding a Paladin's Warhorse after an ill-timed charge
49	Ousting a pack-member, lamed by an Owlbear	99	Yanking along a chain of Prisoners from a local settlement
50	Outmaneuvering a pack of Gnolls hunting a Moose	100	Yelping in pain, being tormented by invisible Sprites

OSE Encounter Activities – Wolf, Normal (d100)

1	Absconding with a Halfling's roasting seventh breakfast	51	Journeying to rendezvous with the rest of the pack
2	Agitating a Squirrel, safe in the treetops	52	Jumping at a slab of meat, hanging from a branch
3	Arriving at the scene of a recent Cougar kill confidently	53	Keening with forlorn anguish at the death of an Alpha
4	Avoiding the scent of Man on strung fladry	54	Licking their young to clean blood from their fur
5	Banishing a rowdy male from the pack	55	Limping from a rather brutal leg wound from a Tapper's snare
6	Barring brutal, bloodstained fangs at an interloper	56	Listening intently with heads cocked to a distant yowl
7	Bickering over the choicest organ meats of a dead Deer	57	Loping lazily behind a wounded Bear
8	Biting their Ranger companion playfully on the shins	58	Marking trees and boulders to delineate territory
9	Bolting down a juicy Frog	59	Mushing in tandem, pulling a Nomad's sledge
10	Braving civilization to sift through a trash heap	60	Obediently obeying courteous commands from a Druid
11	Burrowing into a disused Badger den	61	Occupying an abandoned Shrine to a Sea Goddess
12	Burying a marrow-filled femur for later	62	Organizing around a small flock of nesting Grouse
13	Cavorting among heavenly scented grasses and flowers	63	Outnumbering a plump Trader, slaver and snarling
14	Chasing an exhausted Antelope	64	Overtaking a bounding Pronghorn
15	Circling a bleating Goat	65	Pacing in front of their cave, an Ogre's moved in
16	Clambering up a rocky face to survey the area	66	Panicking a flock of Pheasants
17	Cornering a crimson cloaked Lass	67	Panting with their long tongues protruding
18	Coursing a bounding Hare	68	Pilfering the leg bone of a Skeleton Shield-Bearer
19	Cowering in submission from a massive Alpha Wolf	69	Pouncing on a Marmot
20	Creeping quietly upon a flock of Geese	70	Protecting a wounded packmate from an angry Stag
21	Crossbred with Blink Dogs, in ages past	71	Providing food for a nursing mother
22	Crouching in the underbrush as a Merchant Caravan passes	72	Prowling outside a roadside Tavern
23	Crying mournfully to commemorate a beautiful Moon	73	Raising hackles at a Rival Male seeking a mate
24	Daring each other to approach a feeding Grizzly's kill	74	Roaming far and wide, following the herds
25	Denning near nomadic Centaurs, habituated but still shy	75	Scampering away to draw a Brown Bear from her kill
26	Digging into a rotten log, after a large Snake	76	Scavenging with the Ravens on a shredded, dead Ox
27	Echoing distant howls from fellow pack members	77	Scenting a familiar fragrance: their Alpha, a Werewolf
28	Eking out an existence, subsisting mostly on meager Mice	78	Scrambling up a rocky scree to a clandestine den
29	Eluding a determined Huntsman	79	Serenading all listeners with their primal chorus of howls
30	Emerging from a dark den, a half-dozen Pups in tow	80	Shedding shaggy coats, still quite thick in patches
31	Enticed by the constant clucking from a Halfling Henhouse	81	Slinking away, tails between legs, after a stronger pack moved in
32	Exacerbating a local famine by surplus killing Sheep	82	Snapping their powerful jaws at passing Butterflies
33	Famished from sparse prey, lanky and desperate	83	Snatching bits of flesh from a Giant Hawk's kill
34	Fishing in a river, retrieving squirming Salmon	84	Sniffing fresh spoor and tracks
35	Fleeing after inadvertently disturbing a Manticore's meal	85	Springing on a Groundhog
36	Furiously scratching at their fleas	86	Stalking a family of Beaver
37	Gamboling in mated pairs as the weather begins to turn	87	Stealing a Rabbit kill from an exasperated Eagle
38	Ganging up on an emaciated Moose	88	Tracking Human quarry, having acquired a taste for Man flesh
39	Gently encouraging weaned Pups to eat a Grouse	89	Tugging a trapped leg fruitlessly
40	Gnawing on the bones of a Boar	90	Upsetting a Cyclops by stealing his Sheep
41	Gorging themselves silly after stealing a kill from a Bobcat	91	Vanishing in dense and thorny undergrowth
42	Growling low at a coiled Cobra	92	Vilified by local villagers, who have posted a bounty
43	Hesitating at the flick of a Skunk's tail	93	Visiting a kindly Witch that sometimes feeds them
44	Hobbling a Horse, following its trail lazily for it to tire	94	Vying for position within the pack's pecking order
45	Hounding a Hart, hoping for an uncomplicated hunt	95	Waiting patiently for the designated hunters to return
46	Howling, staggered at first, then joining together	96	Waking up anyone sleeping with piercing shrieks
47	Huffing after nosing into an anthill	97	Whimpering and wet, after inadvertently falling in a stream
48	Hunting Pigs, sent to forage for acorns by local Farmers	98	Whining as they dig at the roots of a Tree
49	Injuring an already infirm Bison	99	Widening a burrow, dirt flying
50	Isolating an individual Reindeer from a bustling herd	100	Yielding a downed Deer to an opportunistic Tiger
